Independent Accountant's Report

Jonathan Miller, Secretary, Finance and Administration Cabinet
The Honorable Connie Jean Hancock
Floyd County Property Valuation Administrator
Prestonsburg, Kentucky 41653

We have performed the procedures enumerated below, which were agreed to by the Floyd County Property Valuation Administrator (PVA), solely to assist you with the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts for the period July 1, 2008 through June 30, 2009. This engagement to apply agreed-upon procedures was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Floyd County PVA. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Procedure -

Determine if the PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (June 30, 2009), for all bank accounts, to determine if amounts are accurate.

Finding -

The PVA maintains receipts and disbursements ledgers. Bank reconciliations are being performed each month.

2. Procedure -

Confirm any and all payments by the city to the PVA. Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also review the list of city receipts for completeness.

Finding -

Recorded city receipts agreed to confirmations and all cities that are required to pay are included on the PVA's records.

3. Procedure -

Confirm any and all payments made by the fiscal court to the PVA. Compare the budgeted statutory contribution by fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

Fiscal Court paid the amounts legally required by the Department of Revenue. The payments were deposited to the PVA's local bank account.

4. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to cancelled checks, paid invoices or other supporting documentation. Determine if the expenditure is for official business. Review all credit card statements (if any) to determine if expenditures are for official business.

Finding -

Selected disbursements were agreed to cancelled checks, paid invoices or other supporting documentation. All expenditures were for official business. All credit card statement expenditures were for official business.

5. Procedure -

Compare capital outlay disbursements with cancelled checks, supporting documentation, and proper purchasing procedures. Verify the location of newly acquired assets. Determine if assets were added to the PVA's Capital Asset Inventory List.

Finding -

Capital outlay disbursements agreed to cancelled checks, supporting documentation and proper purchasing procedures were used. The location of the newly acquired assets was verified. The assets were added to the PVA's Capital Asset Inventory List.

6. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

Vehicle lease and service contract payments agreed to payment schedules. Services received were appropriate, for official business, and properly authorized.

7. Procedure -

Compare PVA's final budget to actual expenditures to determine if PVA overspent in any account series.

Finding -

The PVA's budget was overspent in Commodities and Supplies (300 account series) by \$311 and in Telecommunications/Computer Services (800 account series) by \$3,150, but the total budget for all accounts was not overspent.

8. Procedure -

Determine whether collateral is necessary for the PVA's funds. If necessary determine if a collateral agreement exists.

Finding -

Collateral is not necessary for the PVA's funds.

9. Procedure -

Determine whether timesheets are completed, maintained, approved, and support hours worked.

Finding -

Timesheets are completed, maintained, approved and support hours worked.

10. Procedure -

Determine whether cash balances were properly transferred from former PVA to new PVA.

Finding -

This procedure is not necessary since there was not a change in PVA.

11. Procedure -

For newly hired employees, during July 1, 2008 through June 30, 2009, of the PVA office determine if the Ethics Certification Form has been completed and is on file.

Finding -

There were 2 newly hired employees during July 1, 2008 through June 30, 2009 and both of these employees completed the Ethics Certification Form.

12. Procedure -

Determine if the PVA's office was closed any day other than the state's approved holidays. If so, determine if the proper procedures and forms were completed.

Finding -

The PVA's office was closed some days other than the state's approved holidays due to courthouse closings. Proper procedures and forms were completed for these closings.

We were not engaged to, and did not perform an examination, the objective of which would be the expression of an opinion on the receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Property Valuation Administrator and the Department of Revenue and is not intended to be and should not be used by anyone other than these specified parties.
